COUNTY SCHEDULES HOOVERS MILL ROAD CLOSURE TO ALLOW FOR BRIDGE REPAIRS

FREDERICK, MD – The Frederick County Department of Highway and Facility Maintenance (formerly the Department of Highways and Transportation), Division of Public Works, announced today that Hoovers Mill Road, between Frushour Road and Rocky Ridge Road (Rt. 77), will be closed at the truss bridge over Owens Creek on or about September 9. The closure is scheduled to last about five weeks.

The closure will allow crews to make repairs to several sections of the truss bridge and replace the current wooden deck planks with a new wooden laminated deck.

A detour route utilizing Frushour Road and Rocky Ridge Road (Rt. 77) will be posted. Department staff has notified emergency personnel.
